FEATURES
Excellent choice for moderate commercial traffic in applications like dormitories, assisted living facilities, and military housing.
Mannington's patented NatureForm™ surface embossing technique and rotogravure printing process creates natural pattern realism, which also helps to minimize subfloor imperfections.
Quantum Guard™ HP, Mannington's patented high performance wearlayer with a urethane aluminum oxide topcoat cured by a UV process. A low maintenance flooring providing superior appearance retention, cleanability, durability and slip retardance.
Quantum Guard HP can eliminate the need for polish over an extended period of time depending upon the amount of commercial traffic. While not rated for ramps, the Quantum Guard HP finish provides an enhanced level of traction and protection against slip compared to standard resilient floors.
12' width results in fewer seams, less waste and greater ease of installation with reduced costs.
Limited 10-Year Quantum Guard HP Wear Warranty, Limited 10-Year Light Commercial, along with Limited 15-Year Residential Warranty.
